Interests and Activities in Nursery

Piglets, Tiggers and Christopher Robins

As you can imagine the main focus over the next few weeks will be Christmas. All the children in each room will have an opportunity to join in with a variety of Christmas activities including craft activities, cooking activities and joining in with Christmas songs and stories. These activities will encourage the children to begin to move to music, listen to or join in rhymes or songs, understand that different media can be combined to create new effects, understand some talk about immediate past and future, remember and talk about significant events in their own experience and uses one-handed tools and equipment such as scissors to make snips in paper.
