July 2019

Thursday 4th July - Parents evening

Friday 12th July - Nursery Staff Training Day - NURSERY CLOSED

Friday 19th July- School Leavers Tea

Interests and Activities in Nursery

Piglets

The children are enjoying taking part in various painting activities, for example body and marble painting, where they have been getting stuck in and getting very messy and enjoying splashing in the bath when they have finished. A lot of children within the room are also showing a keen interest in the balls, both inside and outside with the team making up ball runs in the garden using the guttering for them to explore. These activities are all extending the children's physical development, particularly their fine motor and gross motor skills.

Parent participation - Have some fun joining in with some ball games with you child at home.

Tiggers

The children have shown a keen interest in sticks and twigs over the last couple of weeks so Tiggers have set up various tuft spot activities incorporating different play with bugs and creepy crawlies. Tiggers' have also extended this activity with the new wooden toys and equipment that are in the upper and lower garden giving the children the opportunity to enhance their imaginations and take part in activities such as making potions.

Parent participation - Please could you collect any twigs or sticks with your children if you're out and about on walks.

Christopher Robins

It is that time of year already, when the role play area is turned into a school. The children will be able to dress up in school uniform and fill up there school bags with various school essentials.

We will be talking with the children about their visits to school, taking their lead and going at their pace. We will also be making a display of the school logos so the children can familiarise themselves with their school badge. The non-school leavers are also enjoying reading books and stories about school and dressing up in the role play area.

Parent participation - Please talk to your children about their school visits so that they can share their thoughts and feelings if they choose to do so. Please keep us informed of any new information you may receive from school and any questions or concerns that your children or yourselves may have so that we can reassure them.

Nursery News

Summer Fayre - Saturday 8th June

The weather was not that great over the weekend, but thank you to everyone who was able to come, it was lovely to see you all there. We are still selling raffle tickets, plants, cards and name the ballerina this week, please see the office for these. We will be drawing the raffle on Monday 17th June.

Garden Equipment

A few members of staff gave up their time on a Saturday to come in and clear out the nursery garden. We have made head way with reorganising the outside space and have placed the new garden furniture outside. There is still a lot more that we are going to be doing and with the money raised from the summer fayre we will be ordering some more outside equipment.

Classroom Conversion

As you may have seen we have started to receive the furniture for the new room, which is very exciting. In a few more weeks the room will be taking shape.

Pushchairs

Please can we ask all parents to fold down their pushchairs if you are leaving them here during the day, so that we can safely store them.

Father's tea

Thank you to everyone who has replied for Father's day tea. Please can we ask that all reply slips are returned by Thursday 12th June so we can organise food for the day. You can send replies via email if it easier.
