Nursery News

Parent Questionnaire

Please could you spend a few moments completing our survey, which can be collected from our reception? We welcome feedback at any time as it helps us to find out what we are doing well and any areas that we need to improve. There are also paper copies available in the nursery reception. Please return the completed questionnaire to the office by Friday 24th January 2020, thank you.

Paediatric First Aid

All the staff in the nursery update their Paediatric First Aid Training every three years and some of them will be doing this on Saturday 8th February 2020. We have a few spare spaces and would like to offer these out to you at £50 per person.

Parent Information Evening - Thursday 12th March 2020

This year our Parent Information Evening will be on Thursday 12th March at 6pm. During the evening there will be a presentation on School Readiness for all the parents of those children who will be starting school in September 2020. There will also be information regarding toilet training, behaviour, language development, food and nutrition etc. Please let the office know if you have any ideas for areas that you would like us to provide information on for this evening, thank you.
