July 2020

Thursday 9th – Parents Evening 6pm - Cancelled

Friday 17th – School Leavers Tea – Cancelled

Interests and Activities in Nursery

Roos, Piglets, Tiggers and Christopher Robins

The children have and are settling back into nursery really well. With the weather being so beautiful and hot the children have been joining in with a wide variety of water play activities ranging from pouring water from container to container, to floating and sinking, to painting the outside walls with water to ice play and much more. These activities encourage the children to explore and investigate a wide range of materials using all of their senses.

Parent participation – Don't forget the activity ideas that we have posted on Tapestry for you to do with your child

Staffing and Small Groups

Unfortunately I need to inform you that the nursery is only able to offer two groups of children in three of our rooms these are Roos/Piglets, Tiggers and Christopher Robins. We were hoping to be able to offer three small groups in each room, however, we have had to postpone this due to staffing as we have some staff members that are not able to return to nursery yet due to a variety of reasons. We are working on them returning to work as soon as possible and are hopeful that we will be able to offer more groups possibly from the end of July/beginning of August, we will keep you posted.

This means that some of our sessions are now full, we are trying our best to accommodate all of your wishes for your child's return to nursery and I would like to thank you in advance for your understanding if we are unable to offer certain sessions for your child, we can offer the flexibility of temporarily changing the session your child attends nursery to fit in with sessions where we have space available.

School Leavers

If your child is leaving nursery you will receive a PDF of their learning journey from Tapestry via e-mail. Please could you let us know if your child's new school uses Tapestry so that we can transfer your child's Tapestry observations to them, thank you.

We have sent your child's last record of development to the school that they will be attending and we have had many conversations on the telephone with reception class teachers from many of the school's. If you have any questions please contact us to discuss further.
